

## GUIDELINES FOR MEETING ROOM USE

1. Regular library activities will have priority for all spaces.
2. A group that wants to use a meeting space must reserve the space online through the reservation system in the case of Columbus Public Library, North Columbus, South Columbus and Mildred L. Terry Public Libraries. A group must call to reserve a space in the case of Cusseta-Chattahoochee County, Marion County, and Parks Memorial Public Libraries.
3. If a group who has been approved for use of a library meeting room or space cancels its reservation, the cancellation must be made at least 24 hours before the scheduled event. Repeated failure to do so may result in cancellation of the group's ability to reserve library meeting spaces for up to six months.
4. All applications for use of library space will be processed according to the date of receipt of the request.
5. A separate request must be completed for each meeting date requested.
6. A group may book a space up to three months in advance, and at least 72 hours in advance. **A group is limited to one meeting per month per location** so as to ensure that meeting rooms are available to as many organizations as possible. No group may consider the library its permanent meeting place or use the building as its mailing address.
7. Library staff and any members of the public wishing to attend an event being held by a group may enter the event at any time.
8. Library meeting rooms will be set in a basic configuration, or with furniture cleared and available. The library will provide tables and chairs based on the room's capacity. If a group changes the setup of a room, the group is responsible for returning the room to its original setup, or with furniture cleared. All set-up and strike of meeting rooms must take place within the time of the group's reservation.
9. No member of a group utilizing library facilities shall receive financial benefit from any activity held on library property. Exceptions to this guideline include:
  - a. Fundraising to benefit the Library, the Library Foundation or other library-related groups.
  - b. The sale of books by authors holding their own event or part of a library program.
10. A group may not reserve a Library space or room during regular library hours for social or family activities (parties, receptions, showers).
11. The Library may be available for rental outside of regular library hours. The fees are listed in these guidelines and are per hour, with a two-hour minimum at all locations. Early setup for an after-hours event will depend on the availability of the room(s) and is at the discretion of the Library Director or their designee, and is not guaranteed. Before/after-hours events must be booked at least four weeks in advance.

12. Per Facilities Use Policy, the Director of the Library or their designee has the authority to act in the best interest of the Library's safety, which may require security services for the entirety of the event at the group's expense. Security is contracted by the library with local law enforcement, and costs are charged to the group. Security fees are non-refundable and must be paid one week prior to the event. If the Library cannot obtain security services, or the group does not make payment in the agreed upon timeframe, the Library reserves the right to cancel the reservation.

13. The group agrees to pay the library for any damage to the library or library property caused by any person attending any activity conducted during the group's use of the library.

14. Some of the meeting room spaces contain highly sophisticated audio-visual equipment. Basic assistance with turning on and operating the system can be provided by designated library staff. Staff will make every effort to provide assistance on the day of the event, but will not be solely available to provide A/V support. A group may want to make an appointment in advance of its meeting to go through the operation of the equipment with a library staff member if necessary.

15. A group, for its event, may bring in simple foods, such as finger foods, snacks and non-alcoholic beverages or have their event catered. The group assumes full responsibility for the cleanup of all waste that results from the serving of refreshments during the event. Any food made available to attendees will also be available to any member of the public who chooses to attend.

16. No cooking is allowed in any meeting room. Use of crock pots, hot plates, candles, incense, lanterns, or any items that contain a flammable product or that could cause a fire are not permitted.

17. The serving of alcoholic beverages may not take place during regular library hours and requires the approval of the Library Director or their designee.

18. Red or purple-based beverages, paint, birdseed, flower petals, confetti, glitter, or bubbles are not allowed in any meeting room.

19. Tobacco and Electronic Cigarette/Vape use inside library buildings, including meeting rooms, staff rooms, restrooms, or anywhere on library grounds is prohibited.

20. Special permission must be obtained for decorating, installing scenery, or moving furniture. No materials may be attached to or mounted to any surface (walls, windows, floors, doors, furniture, or fixtures) of the room without prior approval of library staff.

21. Use of hallways, including signage outside of the meeting room, is not permitted, unless arranged in advance with the Branch Manager or their designee.

22. Early entry and late access are not allowed without prior approval of the Library Director. Early entry and late access are not guaranteed, but may be permitted according to the availability of the room and the discretion of the Director.

23. All reservations are subject to immediate cancellation if it is discovered that the information given on the request is misrepresented.

24. The Library is not responsible for items or equipment left in the building before, during

or after an event. No group may store its materials at the library.

25. Animals, with the exception of service animals, may not be brought onto Library premises or grounds unless part of a Library sponsored program.

26. The Library reserves the right to take photographs of events for its own records and for future promotional materials.

27. Groups using meeting room space may not provide voter registration. Only library staff are authorized to register the public to vote.

28. Groups may not bring their own amplifiers or sound equipment.

Staff is not available to run the equipment during the meeting.
