Book & Page Number of Register Where Information is Recorded

Remarks

Researchers Please Note:

The first five pages of data contain information on those children whose fathers were not known or were not listed in the Birth Register. This information is not listed in alphabetical order by the mother's surname; therefore, one is advised to make use the Edit/Search feature of this program to locate specific birth information. The data on pages 6 through 48 is in alphabetical order by surname of the father. The Edit/Search feature is also available for that data.

Example 1: (From page one, line 34)

Mary King had a female, black baby on June 28, 1903. The child's name was not listed and the father's name was not listed. The child was given the surname of King. The birth information is found in Book 1, Page 154 of the Birth Register.

Example 2: (From page seven, line 1)

Ellis & Sallie Adams had a female, white baby named Dorothy on May 30, 1912. The birth information is found in Book 2, Page 57 of the Birth Register.
