Dece

South Columbus Public Library has had great attendance from the public since opening. Manager Pepper Grimmer has started an outreach program with the local schools where she has a staff member go to the classroom twice to do an activity with the children and then for the third activity the class takes a trip to the library. They send card applications home with the children. SCPL has seen a good return with children coming back to the library with their families to get their cards and take out books. Director Harkness congratulated Manager Grimmer on the great work she has done with SCPL since she took that position last year.

Guys Read starts in 2025. There are 12 schools that have already signed up to participate in the program. There are more men needed to volunteer in the program. Santa at the Library has started and

he will visit all the libraries in the system in December. Due to the rise prices for books from the Dolly Parton Imagination Library, the Chattahoochee Valley Library will need to suspend registrations in January until they can raise more funds. This means that the CVL will need to suspend the option for parents to sign up their children when they get their child a library card. The CVIL & CVL has applied for a Georgia Reads Grant. If we are awarded this grant, we might not need to suspend registrations for another year.

The MCSD will be paying for the new boiler at the Columbus Public Library. Parks Memorial Public Library is on the state grant program for a matching grant to renovate the Park Memorial Public Library hopefully in starting 2026. Donovan asked about the 24-hour libraries that are down. Manager Katie Burkett from CPL stated that the maintenance person is scheduled to come for the yearly contracted maintenance of the machines on Wednesday of this week. He has ordered parts for both libraries, and they expect the 24 hours libraries to be back online this week.,

VIII. Unfinished Business – there was none.

IX. Chair's Report

Chair Brito asked Robinson and Schwartz to speak as they are rolling off the board for 2025. They talked about how much they enjoyed working on this board the last four years.

X. Next meeting is set for January 13, 2025, at 11 AM. Location: Columbus Public Library. The meeting was adjourned at 12:05 PM.
