

## **MNG8 Exhibits and Displays**

---

The library may provide space, subject to availability, for distribution of brochures, magazines, and similar materials. Space is also provided in the library for posters advertising events sponsored by non-profit organizations.

Space for these items is provided regardless of the beliefs or affiliations of individuals or groups requesting their use. Materials shall not be excluded because of the origin, background, or views of those contributing to their creation; nor shall they be removed because of partisan or doctrinal disapproval. No endorsement of the viewpoints expressed in these or other materials found in the library is implied. Brochures and other printed materials produced strictly for the purpose of selling merchandise, or for merchandising for-profit services, shall not be accepted.

All brochures, posters, and similar materials shall be subject to established guidelines. The library shall place approved items in the appropriate location as determined by the Branch Manager or their designee. Items submitted to the library will not be returned after display.

The library also provides space for non-library programs, and for short-term displays that are part of programs held in the library's meeting rooms or designated display spaces. Use of the library's public meeting rooms is covered under the policy entitled "Facilities Use" (MNG4).
