

PER23: Outside Employment

Employees are allowed to hold outside employment as long as it does not interfere with their Library responsibilities. Employees are prohibited from engaging in outside employment activities while on the job or using Library time, supplies, or equipment in the outside employment activities. The Library Director may request employees to restrict outside employment if the quality of Library work diminishes. Any employee who holds an interest in, or is employed by, any business doing business with the Library must submit a written notice of these outside interests to the Library Director.
